GENERAL ORDER AND REGULATIONS 2023
MADE BY
THE BRITISH COLUMBIA TURKEY MARKETING BOARD**

September 6, 2023

The British Columbia Turkey Marketing Board orders as follows:

This Order comes into effect on September 6, 2023.

[Incorporate into General Order and Regulations 2023.](#)

THE BRITISH COLUMBIA TURKEY MARKETING BOARD pursuant to
THE NATURAL PRODUCTS MARKETING (BC) ACT (The Act)
And the BRITISH COLUMBIA TURKEY MARKETING SCHEME (The Scheme)

Revise wording on [Table of Contents](#)

6. Quota Regulations 2023 – Page 2:

From:

Short Term Quota Lease

To:

[Year-End](#) Quota Lease Page 30

Under General Order 2023 Leasing Allocation - Page 13

From:

47. A registered grower may lease his or her commercial and/or certified organic allocation, or any portion thereof, with the written approval of the Board and in accordance with the Quota Regulation. Unless the Board orders otherwise, a grower may lease out his or her allocation, or any portion thereof, for a maximum of two consecutive quota years. In deciding to approve or reject an application to lease allocation the Board will consider its policy that leasing of allocation is to be a temporary or short-term arrangement.

48. Allocations to new entry growers pursuant to the New Entrant Grower Program shall not be allowed to be leased.

To:

LEASING OF ALLOCATION

47. Growers may lease their allocation, or any portion thereof, with the written approval of the Board and in accordance with the Quota Regulation.

** Numbering from 48-70 will be updated accordingly.

Under 4. FEES & LEVIES REGULATION 2023 Page 25 #9

From:

Lessee in a Quota Allocation Lease \$100.00

To:

Lessee in an Allocation Lease \$100.00

Under 6. Quota Regulation 2023- Page 30

From:

SHORT-TERM QUOTA LEASE

27. A short-term quota lease is a lease between two registered growers where the length of the lease is for duration of less than 12 months. The Board at its discretion may also allow the use of short-term quota leases in situations whereby no fault of their own; a grower may have inadvertently over or under produced their allocation. In these circumstances, the Board may grant a short-term quota lease in order to allow the affected grower's production to fall within his production sleeve.

With the exception of short-term quota leases granted by the Board, any grower who leases out any of its Quota shall not be eligible to apply for Export Regrow Quota for the quota year of the lease.

To:

YEAR-END QUOTA LEASE

26. The Board, at its discretion, may also allow the use of year-end quota leases in situations whereby through no fault of their own, a grower inadvertently over or under produced their allocation. In these circumstances, the Board may grant a year-end quota lease in order to allow the affected grower's production to fall within their production sleeve.

Under 6. Quota Regulation 2023 - Page 31-32

From:

LEASING OF ALLOCATION

35. A prospective lessor of allocation shall file with the Board a notice of intention for each proposed lease of allocation, which notice shall include:
- a) the name of the prospective lessor;
 - b) the name of the contact person for the prospective lessor;
 - c) the address, telephone number, fax number and e-mail address of the contact person;
 - d) the name and contact information of the prospective lessee (if known);
 - e) the number of kilograms of allocation to be leased; and
 - f) the proposed effective date of the lease, which shall be at least 28 days after the day on which the notice is filed with the Board. Section 35f. does not apply to short-term quota leases
36. At the request of the lessor, The Board shall circulate a copy of the notice to all growers and as well as post it on the Board's website. Any person who wishes to lease the allocation derived from their commercial quota must contact the lessor directly for purposes of entering into negotiations for a lease.
37. Following successful negotiations, the proposed lessor and lessee(s) shall each apply to the Board in a form prescribed by the Board for approval of the lease. The applications must be filed at least 14 days prior to the date poult is to be placed on the leased allocation. The required fees shall accompany the applications.

39. The regulated product grown on the lease must be marketed to the processor or turkey broker to whom the lessor was contracted or directed to market the regulated product. Section 39 does not apply to short-term quota leases.

To:

LEASING OF ALLOCATION

34. A registered grower may lease his or her commercial and/or certified organic allocation, or any portion thereof, with the written approval of the Board and in accordance with the Quota Regulation. Unless the Board orders otherwise, a grower may lease out his or her allocation, or any portion thereof, for a maximum of two consecutive quota years. In deciding to approve or reject an application to lease allocation the Board will consider its policy that leasing of allocation is to be a temporary or short-term arrangement.
35. Allocations to new entry growers pursuant to the New Entrant Grower Program shall not be allowed to be leased.
36. At the request of the lessor, the Board shall circulate a notice to all growers of allocation available to lease and post it on the Boards website. Any person who wishes to lease the allocation derived from their commercial quota must contact the lessor directly for purposes of entering into negotiations for a lease.
37. Following successful negotiations, the proposed lessor and lessee(s) shall apply to the Board in a form prescribed by the Board for approval of the lease. The applications must be filed at least 14 days prior to the date poult is to be placed on the lease allocation. The required fee shall accompany the application.
39. The regulated product grown on the lease must be marketed to the processor or turkey broker to whom the lessor was contracted or directed to market the regulated product.

** Numbering from 20-45 will be updated accordingly and any Table of Contents revisions if needed.
